Horse Health Requirements

All horses must have current Coggins (within 1 year). Interstate Health Papers within 30 days.

Terms

All sellers are responsible for their horses up until the time that the gavel falls, after which the buyer is in full responsibility.
The sale committee of the Mid-America Standardbred Yearling Sale reserves the right to reject any horses for any reason including, but not limited to: unsoundness, poor condition, and improper documentation of registration or Coggins papers.

All horses must be removed from the barns by midnight Saturday evening, unless other arrangements are made with the sale committee.

Ages, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he bids. All sales will be final. In case of typographical errors or other errors are discovered, the auctioneer will announce them, which will take precedence over the printed catalog.Buyers are therefore cautioned to pay attention to the auctioneer's announcements.

Consignment Fee.....$150 (Deducted from Payout)
Commission Rates:.....7% for the first $10,000 3% thereafter
No sale fee:.....Same as commission rate

Sellers checks will be mailed no later than October 20th, 2026 providing that all USTA paperwork is in order.

Buyer's Payment

Buyer shall pay for the horses prior to the conclusion of the sale by one of the following means: Cash, approved personal check, money order, cashier's check or traveler's check. U.S. funds only. Checks are to be made payable to Mid-America Standardbred Yearling Sale. A $100.00 service charge will be assessed to all bad checks (NSF, Stop Payment, etc.).

Guarantees

No guarantees whatsoever, expressed or implied, are made by the sale committee, the auctioneers, pedigree readers, bid spotters, or anyone associated with the Mid-America Standardbred Yearling Sale as to title, quality, unsoundness or soundness of any consignments. Presentations given in writing by the consignor to the sale committee will be announced at the time of sale as though by the consignor. Any claims made based upon said presentation, guarantees, or omissions, shall be made against the consignor only and not the sale committee or any persons related to the sale. Seller's statements of soundness or unsoundness will be announced at the sale.

Liabilities

Everyone is urged to use caution and care while attending the sale. The Mid-America Standardbred Yearling Sale, all members of the committee, and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale. All parties entering the grounds where the sale is held do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities from any case whatsoever.

Stalls

All horse stalls are reserved, we will have a stall reserved for your yearling. Stalls will be ready Friday Morning.

Feed, Hay, & Bedding

Consignors are responsible for providing their own feed and hay. Gordyville requires that all bedding used at the facility be purchased directly from Gordyville. Consignors will be provided 3 bags of bedding per box stall, with the cost deducted from the consignor's net check. Additional bedding is available for purchase for $9 per bag.

Out Horses

Please let the Auction know if your horse is unable to make it to the sale. There are no substitutes for out horses.

Veterinary

Graham Veterinary Clinic - (217) 543-2613- will be the local veterinary on the grounds.

Hip numbers were assigned alphabetically by Dam beginning with the letter A.

Consignors are responsible to announce if their yearling is a ridgling.

No Horse Trailers on the inside of the building on auction day until the last horse has sold.

fortigo

Fortigo is a topical carnosine gel designed for use on horses as part of their daily care routine.
Whether your horse is training, competing, aging, or simply staying active, Fortigo can be applied to targeted areas to help support surface comfort, ease of movement, and overall wellness.

Designed For

Sport Horses
Support comfort before and after training, competition, or regular work.

Companions
Help support daily movement and comfort as part of your horse's care routine.

Seniors
A simple topical option to support wellness and everyday mobility.

Why Horse Owners Use Fortigo
Fortigo is easy to apply, topical, and designed for targeted use. Massage into the areas where your horse needs support as part of your regular grooming, training, or care routine.

Use Fortigo to help your horse feel prepared for activity, daily movement, and post-activity care.
Apply Fortigo to targeted areas and massage in thoroughly.
Use as part of your horse's daily care routine, before activity, or after work as needed.

We had tried numerous ways to fix her pain (as we knew her crazy running sprees were pain-driven). She would pull so hard on the reins I had to wrap the reins behind my back, as my hand would go numb, and then I couldn't control her. Funny thing is we could see some improvement with the small scoop dosage. Now with the full dosage of MAXMotion, I've been driving her 6-10 miles not having to wrap the reins, and no stiff/sore Amy, no road-puffs...A women's horse coming on with none other than MAXMotion!!

—Vernon and Rose Yoder

"Our 14 yr. old horse had suspension and stifle problems. His leg would swell up after using him and he always had a lot of pain in his legs. Because of the pain, he would run so fast to try to outrun the pain. It was to the point Kenton could barely hold him back. He acted like he was going out of his mind. His leg would always swell up to the point we couldn't use him. A couple weeks on MAXMotion we used him for 8 1/2 miles one way. He ran normal + freely + with common sense :) His leg never swelled up. Thank you!"

KENTON AND DORIS BURKHOLDER

FEATURES AND BENEFITS

Formulated and designed by horse lovers for hardworking, middle-aged, and older horses who need additional joint support to maintain flexibility and optimal joint functionality.

- Promotes the production and repair of cartilage and connective tissue.
- Designed for ultimate performance.
- Supports senior horse health.
- Supports immune system.
- Flavor-free with no added fillers, made for easy consumption.

MAXMotion was formulated for and is used in one of the largest Jumper Training facilities in California, run by Tom Mower's son.

We bought a horse soon after he had gotten kicked. He limped quite a bit when we drove him and sometimes completely stopped on the road. We started MAXMotion and soon noticed he had more energy. And now, six months in, he's completely sound, has lots of energy, and is a great horse. He's safe for me to drive alone with my three children. And we absolutely love the MAXMotion.

RADIATION PROTECTORS

How They Help

Radiation protection can make supplements more effective by reducing the free radicals in your body. It can also work as a gentle detox from heavy metals. It helps with energy, brain fog, pain, ADHD and overall health.

What They Are

These cards consist of 16 condensed minerals placed within the waterproof casing of the card.

How They Work

These minerals, placed in certain ways within the card, create a quantum field (protected area) within a 10' ft. radius of the card. The shield works by reversing the signal coming to your device.

Did You Know

In order to receive the same nutrition value from fruits and vegetables today, you must consume nearly 20 times more than you would have 30 years ago. This is mostly due to the radiation in the air. Radiation from cell tower causes free radicals to be made in the body. These harmful atoms or molecules can cause many health issues.

Two Types of Protectors

- Credit card sized protector to carry in your wallet, pocket, or purse
- Shield to put on your cordless phone, cell phone, or laptop

RELIEVION®

Relief you can feel. Life you can enjoy

Vistalife's Relievion is formulated with carefully selected ingredients designed to help support the body's natural response to discomfort and promote overall wellness. When used as part of a comprehensive health plan, Relievion may help individuals maintain comfort, mobility, and a better quality of life, allowing them to focus on the activities they enjoy most.

TESTIMONIALS:

I have a torn meniscus. After taking Relievion for just 2 days my pain was gone! Amazing relief very fast. – Norman

I was suffering daily with headaches and neck pain associated with OS, after taking the Relievion for 60 days, I'm completely off pain medication and Ibuprofen. Thanks! – Joe

VistaLife™ PEOPLE. PRODUCTS. PROSPER.

Why These Ingredients Work Together

Relievion combines five scientifically researched ingredients that address pain and inflammation from multiple angles. Curcumin C3 Complex® and Bospure® help support a healthy inflammatory response. Collavant® n2 focuses on joint structure and cartilage support. AstaReal® helps combat oxidative stress that can contribute to discomfort and tissue damage. ParActin® provides additional inflammatory and immune support. Together, these ingredients create a comprehensive wellness formula designed to support comfort, flexibility, mobility, recovery, and overall quality of life. Rather than relying on a single mechanism, Relievion provides broad-spectrum support for individuals seeking a natural approach to managing everyday pain and inflammation while maintaining an active lifestyle.
